

SKUTT ELECTRIC KILN FOR SALE

I purchased the Skutt Electric Kiln about 11 years ago. It has never been used. The inside measures 23" x 24". It is not computerized. I'm asking \$800 for it. It has a blower/exhaust that goes on the bottom to take out the fumes. Here are some details:

- 3 heat switch
 - Model KS-1027
 - Serial #019330
 - 2W 240 Volts AC
 - 1 Phase 48 AMPS
 - 11520 Watts
 - Maximum temperatures: 2350 degrees F Cone 10
- If you are interested or have any questions, please contact Aviva Kahn at 828-894-6374.
